Checkpoint 4	**Sprint D**	02-06-2022

Still trying.

Contributes a lot to the project, help others, takes the most responibility.

Responsible, contributed a lot to the project this sprint

Has put a lot of work into project, good at group organization but there is still a room for improvement

good error solving teammate... remade a good api

Still very fast, very helpful.

Checkpoint 3	**Sprint C**	12-05-2022

Just trying.

initiative

Did his job at a proper level

10/10 Gets things done and is implied with the project

He did his part. And improved his css. He completed his part really quickly and effeciently.

finally updated his css, added some more features

Checkpoint 2   **Sprint B**   14-04-2022   ☺

Ok, tried.

Did his job at a proper level

completed his part but in crappy way... with lots of bugs and didnt attend presentation

Great team member, supporting others and getting things done on time!

is very fast and does a lot of work. css sucks

Checkpoint 1   **Sprint A**   24-03-2022   ☺

Horrible spelling, over estimates time needed per user story.

Did his job at a proper level

Good team worker, and super fast coding!

dedicated to studying

Still cant type. Works very hard, but expects a bit too much of other group members.

He is the most efficient guy I know. He does his job on time and try to do more than that. He also encourages other to do the same. The reason the group finishes everything so fast is because of him. ...
